

NORFOLK
FAMILY HEALTH TEAM

Your well-being is our Primary care

Bringing you specialized healthcare programs & services, offered by our highly dedicated team of caring professionals.

Midwifery: Prenatal and Newborn Health Program

Learning good habits and making healthy decisions is a family affair.

Learn, grow, and develop with us, through the birth of knowledge and inspiration... healthy practices today, will lead to good health & well-being tomorrow.

Funded by the Ministry of Health and Long-Term Care, to provide sustainable rural healthcare in Norfolk County.
